Responsible To:	Community Mental Health Team Manager with additional support from Manchester Mind Advice Manager
Working Hours:	18.5 hours

Job Summary

People with mental health issues are more likely to be dependent on benefits, be at risk of homelessness and in debt. We believe that advice relating to benefits, debt and housing can alleviate stress and support better mental health. Within the Community Mental Health Team there is an Assertive Outreach pathway for people who present with high levels of complexity and through this role you will play a key role delivering advice to people with regard to housing, debt and benefits whilst working collaboratively with colleagues within the Community Mental Health Teams across Manchester. You will also be part of a wider team of advice workers within Manchester Mind with whom you can share skills and knowledge.

Main Duties

- To provide face to face, telephone and email advice as required to people referred to you from CMHT colleagues.
- To advise and advocate for people enabling them to maximise their benefits. To this end, the post holder will assist in the completion of benefit questionnaires, and advocate for people at reviews, reconsiderations, and appeals when necessary, including representing at tribunal hearings.
- To help people manage their debts, including assessing income and expenditure, advising on possible debt management solutions, and, where appropriate, negotiating with creditors.
- To provide reliable advice, information, and assistance on housing and homelessness-related issues.
- To remain up-to-date with legislation and case law relating to welfare benefits, debt, and housing.
- To identify where clients might benefit from other Manchester Mind services and refer as appropriate.
- To refer or signpost people to other professionals or agencies as appropriate.
- To share information with other agencies as appropriate, and in accordance with Manchester Mind policies and procedures.
- To provide consultancy to CMHT colleagues when required.
- To input information about your work within the CMHT data monitoring systems

- To effectively manage their own time, workload and resources.
- To participate in shared team activities as required, such as team meetings, responding to enquiries from new clients, and attending external meetings.
- To take part in Multi-Disciplinary Team meetings when required
- To Liaise with Hospital staff and Manchester Mind Hospital Advice Staff when required

General Responsibilities

- To deliver the duties within the role in a way which demonstrates the values of Manchester Mind – Openness, Belonging, Strength, and Collaboration.
- Be responsible for personal and professional development, including attending regular supervisions and an annual appraisal.
- To attend appropriate educational and training activities as agreed with the Advice Service Manager.
- Work within Greater Manchester Mental Health Trust policies and procedures with regard to day to day management of work within the CMHT.
- Ensure data is managed in compliance with General Data Protection Regulations.
- Value diversity and promote equality of opportunity, ensuring that individuals are treated fairly and are respected for their contribution in terms of experience, knowledge and skills.
- Ensure safeguarding policies and procedures are adhered to.
- Carry out any other duties required to ensure successful delivery of this project.
